MEMORANDUM FOR:

Here, as you requested, is a brief digest of Executive Order 11348 (on training Government employees) which the President signed 20 April 1967.

The Order directs the Chairman of the Civil Service Commission to:

- a. plan and promote the development, improvement, coordination, and evaluation of Federal training programs;
 - b. assist agencies in improving their training programs;
 - c. identify areas in which new training activity is necessary;
 - d. coordinate inter-agency training efforts; and
- $\ensuremath{\text{e}}$. develop a training information system to provide the data essential to sound planning and evaluation.

As a special feature, the President directed CSC to establish a center for advanced study for top executives (this has come to be known as the "Federal College").

In response to EO 11348, CSC has established a new Bureau of Training under Ken Mulligan. While the new Bureau is moving ahead on all fronts to implement the President's Order, its initial efforts will be concentrated on the "Federal College."

EO 11348 giv	ves the CSC Chairman a delegation of the
President's authority to exempt ager	icies from portions of the Government Em
ployees Training Act and to rescind	exemptions previously granted by the
President. I've asked	how this provision of the EO will affect
CIA since we were not exempted by	statute from the Government Employees
Training Act but rather by an EO Pr	esident Eisenhower signed in 1959 when he
approved the Act.
